### At Ozzie Dots, There's Lots and Lots to buy!!! ★★★★★

By m g.

Ozzie Dots is a wonderful place to purchase vintage clothing with main brands at a very cheap price range. Brands range from Lacoste, Abercrombie & Fitch, Hollister, American Eagle, and other fantastic brands of selection. I would highly recommend this place as the BEST vintage clothing store yet! Tired of those \$50+ polos from abercrombie? Just wait till you see the selection at Ozzie Dots! The clothes are in exceptional condition and at prices that won't harm the pockets.

This popular costume shop has got a super collection of vintage apparel and cool gifts like TV lamps and mid-century ceramics. Also the vintage linens are great, and very reasonably priced. Phone them and ask when their next dollar sale is ... I've gotten some absolutely amazing deals there. Plus it's right across the street from Casa Diaz, which is the best tiny little Mexican dive in town.
